Retailer Comments

A tradition of luxurious performance is maintained in this model, a spectacular car with breathtaking proportions and supercharged thrust. All of the premium features expected of a Jaguar are offered, including: a power seat, rain sensing wipers, and air conditioning. Jaguar made sure to keep road-handling and sportiness at the top of its priority list. Under the hood you'll find an 8 cylinder engine with more than 400 horsepower, and for added security, dynamic Stability Control supplements the drivetrain. Our sales reps are knowledgeable and professional. They'll work with you to find the right vehicle at a price you can afford. We are here to help you.
