Retailer Comments

This vehicle won't be on the lot long! First and foremost is the striking exterior. A turbocharger further enhances performance, while also preserving fuel economy. Jaguar infused the interior with top shelf amenities, such as: a built-in garage door transmitter, front fog lights, and voice activated navigation. Smooth gearshifts are achieved thanks to the 2 liter 4 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain. Our knowledgeable sales staff is available to answer any questions that you might have. They'll work with you to find the right vehicle at a price you can afford. Stop in and take a test drive!
