Retailer Comments

2026 F-Pace A turbocharger is also included as an economical means of increasing performance. Jaguar prioritized comfort and style by including: voice activated navigation, front fog lights, and air conditioning. Under the hood you'll find a 4 cylinder engine with more than 200 horsepower, and for added security, dynamic Stability Control supplements the drivetrain. Our sales reps are extremely helpful knowledgeable. We'd be happy to answer any questions that you may have. Come on in and take a test drive!
