Retailer Comments

You won't want to miss this excellent value! This is more than just a vehicle, it's a lifestyle! A turbocharger further enhances performance, while also preserving fuel economy. Jaguar prioritized practicality, efficiency, and style by including: automatic dimming door mirrors, power moon roof, and 1-touch window functionality. Under the hood you'll find a 4 cylinder engine with more than 200 horsepower, providing a smooth and predictable driving experience. Well tuned suspension and stability control deliver a spirited, yet composed, ride and drive. We have a skilled and knowledgeable sales staff with many years of experience satisfying our customers needs. They'll work with you to find the right vehicle at a price you can afford. We are here to help you.
