Retailer Comments

This vehicle won't be on the lot long! A great vehicle and a great value! Turbocharger technology provides forced air induction, enhancing performance while preserving fuel economy. Jaguar infused the interior with top shelf amenities, such as: front and rear reading lights, automatic dimming door mirrors, and the power moon roof opens up the cabin to the natural environment. Under the hood you'll find a 4 cylinder engine with more than 200 horsepower, and for added security, dynamic Stability Control supplements the drivetrain. Our sales reps are knowledgeable and professional. They'll work with you to find the right vehicle at a price you can afford. We are here to help you.
