Retailer Comments

This vehicle won't be on the lot long! It offers the latest in technological innovation and style. Jaguar prioritized fit and finish as evidenced by: voice activated navigation, heated and ventilated seats, and the power moon roof opens up the cabin to the natural environment. Under the hood you'll find an 8 cylinder engine with more than 400 horsepower, and for added security, dynamic Stability Control supplements the drivetrain. We pride ourselves in the quality that we offer on all of our vehicles. Please don't hesitate to give us a call.
